Atty. Docket No. 7571RD
Reply Dated Sept. 14, 2004
Reply to Office Action of June 2, 2004

REMARKS

Claims 1-4 are pending in the present application and stand rejected.

In the previous amendment dated September 2, 2004, status identifiers for each of the claims were omitted. The present amendments include the appropriate status identifiers.

Claim 1 has been amended to correct a misspelling that was found. The amendment of September 2, 2004 recites "Theological agents." In the present amendment, the term "Theological" has been replaced with the term "theological." As originally filed, Claim 1 recites "rheological agents."

No new matter is believed to have been added. Consequently, entry of these amendments is respectfully requested.

Respectfully Submitted,

For: T.J. Klofta
